Good afternoon Ms. Hickey,

I hope you are doing well! I attach our Notice of Status Review with our brief report – The case is settled. We request the issuance of an Order requiring the filing of a status report or stipulation of dismissal in 60 days. This will allow the plaintiff time to complete remaining tasks per a condition of the settlement.

Please let me know if you need anything else from us.

Best,

Rachel

Atty. Watsky, thank you for the status report. I have printed the document and will process it as soon as I have a free moment. I will then issue an Order with a new Review Deadline. Hope all is going well. Mary

Ms. Hickey:

I attach our Notice of Status Review with our brief report – the Parties' counsel have had several meetings and discussions and believe the parties have reached an agreement in principal that we need to reduce to writing and have the Commission discuss and vote on in a public meeting. We request the issuance of another Notice of Status Review for an update in 60 days. It is possible that we will have settlement papers filed prior to then, but if not we should have a firm time line by that date.

Thank you.
