NORTHEAST REGIONAL OFFICE

Westwood Conservation Commission
50 Carby Street
Westwood, MA 02090

Dear Westwood Conservation Commission:

Goddard Consulting, LLC is pleased to submit this Abbreviated Notice of Resource Area Delineation (ANRAD) on behalf of the applicants, Salvatore and Margaret Vinci, for the confirmation of wetland resource areas on a parcel of land located at 42 Mill Street (Westwood Assessors Map #28 Lot #013).

The wetland resource areas were delineated in August of 2014. The BVW and Bank boundaries were flagged using the criteria in the most recent edition of MA Wetland Protection Act (WPA) and Regulations 310 CMR 10.00 *et al* as well as the Town of Westwood Wetland Protection Bylaw. Hydric vegetation and topography were considered for delineation purposes. The attached Wetland Border Report provides a description of the wetland resource areas and contains DEP Bordering Vegetated Wetland Delineation Field Data Forms.

The site contains resources consisting of Bordering Vegetated Wetlands (BVW) and Bank of an intermittent stream channel. According to the USGS map there is an un-named perennial stream located in the southern section of the site. This stream was documented dry for four days over the summer of 2014 during a non-draught period (photographic documentation is attached and detailed in the wetland border report enclosed). We request confirmation of the jurisdictional wetland resource areas consisting of BVW and Bank of intermittent Stream channels under the WPA and local bylaw.

Nine copies of the ANRAD application plus 9 copies of the plans are enclosed. The titles of all the documents enclosed are as follows:

- ANRAD Cover Letter. Goddard Consulting, LLC.
- ANRAD (WPA Form 4A) Application Form.
- ANRAD Wetland Fee Transmittal Form and Copy of Fee checks.
