Hi Karon,

I hope all's well! When you have a moment, I have some followup questions regarding Delapa's application for a Superseding Order of Conditions for the house construction at 42 Mill St on 11/30/2021. Was the Conservation Commission notified of the Superseding Order of Conditions application at that time? Was there any public notice published?

Also, was there any public notice when the DEP approved the SOC on 5/6/2022?

I know there are a couple other email questions from me in your inbox. Let me know if it would be helpful for me to call or to stop in at Carby St.

Thank you!

Todd
